### Terms and Conditions

<sup>1</sup> Our plans enjoy speed shaping, the monthly allowance specified in the table simply tells you how much you can download, after which your speed will be shaped. Broadband2+ Reach Option 1 - 4 plans will be shaped to 64kbps. Broadband2+ Reach Option 5 plan will be shaped to 128kbps. Please note traffic within the Westnet Freezone is free for all plans and will not contribute towards monthly download usage or be subject to speed shaping. Uploads are not counted towards your monthly quota and are not shaped.

**\*Broadband2+ Reach Terms & Conditions** - Westnet Broadband2+ Reach offers faster internet speeds between 1.5Mbps to 20Mbps. Maximum speeds for Broadband2+ Reach plans are dependent on how far you live from the local telephone exchange, configuration and quality of your phone line, Broadband ADSL modem and line filter specifications, the number and type of services being used in your neighbourhood, interference from outside sources, your computer's hardware and software set up, and the configuration of any computer you are trying to access.

**Phone Terms & Conditions** - Call caps available anytime and include call connection fee. International calls using 0011 prefix only. Calls made using 0015 and 0018 prefixes are not included. Top international rates and caps apply to physical land lines in Top Countries only. International mobiles & special numbers not included.

All accounts payable via Credit Card or Direct Debit.

Broadband prices and hardware correct as of 29 December 2009. Phone prices correct as of 4 January 2010. Prices include GST and are subject to change without notice. For Westnet's Customer Relationship Agreement and any updates please visit [www.westnet.com.au](http://www.westnet.com.au)
